Welcome to Cairo

First, the drawbacks: Cairo's crowds make Manhattan look like a ghost town, papyrus sellers and would-be guides hound you at every turn, and your snot will run black from the smog... [READ MORE](#) >

Is now a good time to visit Cairo?

'Do you have a strong heart?' asked the man behind the Egyptian Museum's bookshop counter. 'You need one here...'

'Yes, yes, I think so', I said, nodding earnestly.

A perfect day in Cairo

When in Cairo, it's imperative to see a pyramid or two, browse the wonders of the Egyptian Museum and shop the stalls of the Khan el-Khalili market. But leave a day over in your city schedule to uncover

TRAVEL TIP

If you're planning to cover some serious mileage, be sure to check there will be ample fuel stations along your chosen route.

It could be worth bringing a spare can of fuel before you zoom off. I made this rookie error while road trippin' in Alaska ... Then (embarrassingly) again in the Nevada desert.

TRAVEL TIP

Ask yourself how much time you plan on spending in the room.

If you are planning on exploring the town for most of your days and nights, you may want to go for a more basic room.
